Increase brand awareness

Drive more sales

Target a specific audience

Measure your results

Get higher ROI

Adapt your strategy

# YouTube Ads Overview

- YouTube is one of the top providers of media in the world!
- Target potential customers based on demographics, searched keywords, and specific YouTube channels.
- Reach your target audiences when they are seeking information and willing to interact with brands.
- Use YouTube video metrics to get insights and optimize your campaign.

# Measuring Your Campaign

S

**Specific:** What do you want to accomplish? (who, what, where, why)

M

**Measurable:** How will you measure the results?

A

**Achievable:** It's good to dream, but are the goals realistic?

R

**Relevant:** How does the goal tie into your business?

T

**Time-bound:** Set 1 or more target dates
